106	BOREL Marie-Claude VON ORELLI Monica	Switzerland "	The theme we will speak about has influenced our world very deeply. We have made one discovery that will be able to gather all the energies in a new way and that is "when men listen, God speaks" and that means new relations that can come to birth. It is also our privilege, no step is too small and nobody is excluded. The family is a stone we can build on and here comes Turner's family.	
127	TURNER Mrs. Graham	England	We start to exploit others in our family as soon as we come into this earth. We found a way to counter it. Children can contribute as well as the parents to the life of the home, all of us are children of God.	
152	TURNER Mr. Graham	England	For a long time our children were nothing more than noisy furniture. I thought maybe my priorities are the wrong ones and we began to discover the secret to listen to God's voice. It has become a daily discipline and guided-line for the simplest thing also. Their experience in Wales last summer, when Patrick's guidance is was really a guided one.	
182	BOREL Marie-Claude VON ORELLI Monica JOSS Mrs.	Switzerland	With my children we discovered we have to help each other and tell what we have done wrong. This made my son very different and together we try to find the right way.	
196	FINKEN Mr. Nils	Danmark	relation with his sister. When I came to Caux I wrote her to apologise, but she told me she has forgiven for a long time, but had very difficult time. I gave up my superiorities and she was able to grow again.	
211 216	Borel, Von Orelli SWILLING Mr. Marc	South A.	introduction the theme has a very keen links with the story of my country. So many declared they had the solution to such exploitation. Did they succeed. They did not grasp human nature. The more a man is weak in his character, the more he can be exploited.
