754 762	HENDERSON, Michael, M MATHUR, Rd, M	G. Britain India	In India it is wide open for MRA. I would not wish dictatorship to the worst of my enemy. It is thanks to an intervention of something beyond man that India is now a free country. The British left in India the structure of democracy apart of everything else. Now life of millions of people can be changed. Switzerland is the oldest home of democracy and I have come to learn God can make a miracle in Indochina and behind the iron curtain as He did for India . Without a moral support democracy will not f work. quiet time.
