### Nazi ~~view~~ of Moral Rearmament

Sir,—In reply to "Becque" and his reference to Nazism, it is important to know what the Nazi regime thought about Moral Rearmament.

The Gestapo had prepared a 126-page secret report which was discovered in their files after the war.

It stated, inter alia: "The Oxford Group have uncompromisingly taken up a frontal position against National Socialism, they encourage their members to place themselves fully beneath the Christian Cross and to oppose the cross of the swastika with the Cross of Christ, as the former seeks to destroy the Cross of Christ. . . . It preaches revolution against the National State and has quite evidently become its Christian opponent."

All these facts, and a full report on all relevant present-day data about Moral Rearmament are to be found in a book just issued, "The World Rebuilt," by Peter Howard, one of England's foremost journalists.
