... for a new world

update

May 8, 2023

Dear <<First Name>>,

We are delighted to announce the launching of our Facebook and Instagram pages! Social media have become an integral part of many people's daily lives, and we want to bring the content available on *For A New World* closer to those who use these platforms.

This initiative is made possible due to the conviction and expertise of [Mustapha Olatunji](#) from Nigeria who has been actively involved with IofC for over ten years. He will be administering the pages with input from our FANW production team, posting every week day.

Our [Facebook](#) and [Instagram](#) (@foranewworldfdn) pages will feature individual people, key publications, video and music and behind-the-scenes glimpses – always referencing the *For A New World* platform.

We hope these will also be spaces where you can engage with the abundant content and with each other. We want to hear your thoughts, feedback, and ideas, so we can continue to serve the community better.

We invite you to follow us on both Facebook and Instagram (@foranewworldfdn). You will be the first to know about our latest posts. We also encourage you to like, comment, and share our posts and invite your friends and family to join us.

Thank you for your continued support, and we look forward to connecting with you on social media!

Best regards,
