# SMITH'S SON TO SETTLE HERE

Herald Reporter

**THE** former Prime Minister Mr Ian Smith, whose son Alec is to marry a Norwegian girl in Oslo soon, said yesterday the couple would return to Zimbabwe Rhodesia to settle.

Alec (29) is to marry Elizabeth Knudsen (28), but the Norwegian authorities have refused permission for members of Mr Smith's family to attend the wedding.

Mr Ian Smith told the Herald he was upset by reports that the couple planned to remain overseas. This was not true, he said, adding that his son had received the date for his next call-up and that he and his bride were coming back to live here.
