

# The Hour is Late — For God's Sake Wake up

The following quotes are from a speech made by **Dr. Frank N. D. Buchman**, initiator of **Moral Re-Armament**, at a **World Assembly for the Moral Re-Armament of the nations at Mackinac Island, in the United States**. Addressed to the **American nation** these are relevant to every nation.

**"My deep personal wish is to have every American free under the direction of God to fight for America; so to fight that America really be free, free from the tyranny of sin, under God's direction, the unseen but ever-present Power. I wish this no less deeply for everyone in every nation.**

**"Men must learn to have a faith that will create the right revolution. If we can spread this revolution fast enough we can save America and the world. Unless we have this revolution there will be a revolution of chaos.**

**"It needs this stronger dose. Sin leaves us with such a dull, heavy thud. 'The blood of Jesus Christ His Son cleaneth us from all sin.' That is the discovery everyone is looking for. That is the answer.**

**"Then you will have a wonderful example that the whole world will want to follow. The hour is late. There is the answer. For God's sake, wake up!"**

# It is the Answer says Pondo Chief

Paramount Chief Victor Poto of Western Pondoland telegraphed this message to the Eikestadnuus Supplement:

"I truly believe that Moral-Re-Armament is the answer to disunity, frustration and lawlessness amongst our people and can answer the divisions between the races."

Mr. Tom Swartz, Chairman of the Union Council of Coloured Affairs, also telegraphs from Pondoland:

"Moral Re-Armament is the greatest experience of my life. It has brought unity to my home

and I am convinced it can heal the divisions among the coloured peoples of South Africa."

The Rev. Dr. D. W. Bandey, Head of Clarkbury Methodist Institution, Transkei, writes:

"As a churchman, I am convinced that Moral Re-Armament is demanding from men what Christ demanded, and is changing them by His power in His way. As a man, I am convinced that there is no other hope for our world. The Church that will accept this challenge will fulfil her God-given destiny."
