**Lyrics:**

- mass-es of men and wo-men— be the jew-els in a coun-trys crown?
- Then the work-less would be work-ers,— The cal-lous be-come men who care, A
- work-less would be work-ers,— The cal-lous be-come men who care, A
- passion for souls— would lift each heart, The self-ish de-cide to share, For
- God does-n't lim-it His chil-dren, There is-n't e-nough for our greed, But with
- giv-ing men and heavn-ly plan there is e-nough for ev'-ry man's need,
- E-nough for ev'-ry man's
- E-nough for ev'-ry man's need, E-nough who
- need,— Then the work-less would be work-ers The cal-lous be-come men who
- care,— Then the old and young to - geth-er would build a world for
- care,— Then the old and young to - geth-er would build a world for
- ev'-ry man to share.
